The Honorable William J. Casey Director of Central Intelligence Central Intelligence Agency Washington, D. C. 20505

Dear Bill:

Earlier this week, several employees of the Forrestal Message Center of the Department of Energy contacted our Committee to express their concern over a potential security problem at the Center. The attached package of information details their complaint, and it is enclosed for your information and review.

Bill, we don't have any way of evaluating the complaint of these individuals. My purpose in bringing this to your attention is simply to make sure it receives proper consideration by the intelligence community. I don't want to prejudice the outcome of this activity one way or the other. At the same time, I feel I have a responsibility to bring it to your attention.

Thank you for your consideration of this matter.

Simcerely,

Barry ¢oldwater
